PRIVATE BILL APPLICATION

Notice is hereby given that an application will be made by the **City of Vancouver** to the First Session, Thirty-fourth Parliament of the Legislative Assembly of the Province of British Columbia, for an Act to amend the *Vancouver Charter* to provide for the following matters:

1. An amendment to section 182 — this will make it clear that Council has the power to indemnify any non-profit organization which is assisting the City.

2. An amendment to section 212 — this is a housekeeping amendment to repeal the provisions that the Director of Finance shall control and supervise the City Hall and other City buildings. This is not now, and has not been the case for some time.

3. An amendment to section 248 — this will remove the requirement that all debentures must bear at least one signature. The last European issue required 30,000 signatures. Modern technology can obviate this onerous duty and still protect our se-

curity. The addition of subsection (3) is to give more security to the purchasers of our debentures.

4. An amendment to section 258 — this would remove the requirement that the proceeds of debentures shall be kept in a separate bank account.

5. An amendment to section 272 — this was requested by the Race Relations Committee and will greatly expand Council's powers in prohibiting various forms of discrimination.

6. Enact a new section 294A — this provision would make it clear that the City is only liable for negligence where injury or damage arises from blocked sewers or broken water mains.

7. An amendment to section 306 — this will provide that every elevator in existing buildings, used for residential purposes, must be maintained in an operational condition.

8. To enact a new section 401A to make it clear that entries on a supplementary assessment roll are taxable in the current year.

9. An amendment to section 568 (3) — this will clear up an ambiguity in subsection (3) and set out precisely the jurisdiction of the Board of Variance.

10. A further amendment to section 568 — this will delete subsection (6). This subsection has not been utilized in at least 20 years and its interpretation causes great difficulty and confusion. — John L. Mulberry, *Director of Legal Services*. [fe14]
